

# ***Pennsylvania Environmental Partnership Charter***

## ***Vision***

Through a voluntary partnering effort, enhance environmental quality while supporting military readiness in the Commonwealth of Pennsylvania.

## ***Mission***

Promote innovative environmental stewardship, sustainability and mission readiness by leveraging resources within the Department of Defense (DoD), Pennsylvania Department of Environmental Protection (PADEP), U.S. Environmental Protection Agency (EPA) and participating Commonwealth of Pennsylvania agencies through a proactive, results-driven environmental partnership.

## ***Goals***

- Foster and develop working relationships promoting environmental stewardship and enhancing mission sustainability.
- Share information and leverage resources to provide cost-effective means of achieving common goals and identifying solutions aimed at prevention of pollution.
- Provide a forum for regulatory issues, updates and educational opportunities.
- Promote measurable and sustainable environmental improvements.
